## Merit Badge Workbook

This workbook can help you but you still need to read the merit badge pamphlet (book). No one can add or subtract from the Boy Scout Requirements #33216. Each Scout must do each requirement. Merit Badge Workbooks and more: Online Resources.

Send comments to the workbook developer: craig@craiglincoln.com. Requirements revised: 2010, Workbook updated: 7/10.

Scout's Name:	Unit:					
Counselor's Name:	Counselor's Name: Counselor's Ph #:					
Note: If meeting any of the requirements for this merit badge is against the Scout's religious convictions, the requirement does not have to be done if the Scout's parents and the proper religious advisors state in writing that to do so would against religious convictions. The Scout's parents must also accept full responsibility for anything that might happen because of this exemption.						
1. Do the following.						
	, have your health-care practitioner give you a thorough examinatio the examination.					
Tell what questions the doctor asked about you	ur health.					
Tell what health or medical recommendations t	he doctor made					
and report what you have done in response to	the recommendations.					

Personal Fitness p. 2	Merit Badge Workbook	Scout's Name:
Explain the following:		
(1) Why physical exams are importa		
(2) Why preventative habits (such as	exercising regularly) are important in maintaining	g good health,
and how the use of tobacco product	alcohol, and other harmful substances can neg	atively affect our personal fitness.
(3) Diseases that can be prevented	nd how	
(4) The 7 warning signs of cancer:		
(5) The youth risk factors that affect	ardiovascular fitness in adulthood	

	rsonal Fitness p. 3 Merit Badge Workbook Scout's Name:
	Have a dental examination. Get a statement saying that your teeth have been checked and cared for. Tell how to care for ur teeth
_	
_	
	Explain to your merit badge counselor verbally or in writing what personal fitness means to you, including:
a. _	Components of personal fitness b. Reasons for being fit in all components
_	
C.	What it means to be mentally healthy
d.	What it means to be physically healthy and fit
e.	What it means to be socially healthy.
_	iscuss your activity in the areas of healthy social fitness
F.	What you can do to prevent social, emotional, or mental problems?
	With your counselor answer and discuss the following questions:
a.	Are you free from all curable diseases?
	Are you living in such a way that your risk of preventable diseases is minimized?
b.	Are you immunized and vaccinated according to the advice of your health-care provider?
С.	Do you understand the meaning of a nutritious diet and know why it is important for you?
_	Does your diet include foods from all food groups?
d.	Are your body weight and composition what you would like them to be
-	and do you know how to modify it safely through exercise, diet, and behavior modification?

Personal Fitness p. 4	Merit Badge Workbook	Scout's Name:
e. Do you carry out daily activities without	noticeable effort?	
Do you have extra energy for other activ		
f. Are you free from habits relating to poor		
and the use of alcohol,		
tobacco,		
drugs,		
and other practices that could be harmful	to your health?	
	feeling refreshed and energized for the ne	w day?
i. Are you actively involved in the religious	organization of your choice,	
and do you participate in its youth activities	s?	
j. Do you spend quality time with your fami	ly and friends in social and recreational ac	tivities?
k. Do you support family activities and effo	rts to maintain a good home life?	
4. Explain the following about physical	fitness:	
a. The components of physical fitness		
b. Your weakest		
and strongest component of physical fit	ness	
C. The need to have a balance in all four of	components of physical fitness	

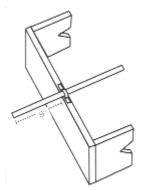

D. How the components of personal fitness relate to the Scout Laws and Scout Oath

Personal Fitness p. 5	Merit Badge Workbook	Scout's Name:	
5. Explain the following about nutrition:			
A. The importance of good nutrition			
B. What good nutrition means to you			
C. How good nutrition is related to the other	components of personal fitness		
D. The three components of a sound weight	(fat) control program		

6. Before doing requirements 7 and 8, complete the aerobic fitness, flexibility, muscular strength, and body composition tests as described in the Personal Fitness merit badge pamphlet. Record your results and identify those areas where you feel you need to improve. (See Personal Fitness Merit Badge Pamphlet, pp. 47 - 60)

Aerobic Fitness - Cho	ose either the nine minute run/walk for distance OR the one mile run/walk.	Need to improve?
9-minute Run/Walk - You c	an run <b>or</b> walk.	-
-or- 1-mile Run/Walk -		
Strength –Record your pe	rformance on all three tests.	
	ssed, knees bent, feet flat on the floor, have someone hold your feet down	
Push-Ups in 60 sec. Keep s	houlders, hips, and legs in a straight line. Start flat on the ground.	
Pull-Ups in 60 sec. Palms for	orward. Start with your arms fully extended and your feet a few inches above Pull up until your chin is on top of the bar and repeat.	
Flexibility	· · · · · · · · · · · · · · · · · · ·	
Keep your with your f	petitions. Record the fourth reach after holding it for 15 seconds to qualify.  knees down. You can tape a yardstick to the edge of a bench laid on its side eet placed flat on the seat panel. Tape down a yardstick so that the 9-inch line with the panel against which the feet are placed.	
<b>Body Composition</b>		
Right Arm Circumference	right upper arm, midway between the shoulder and the elbow, with the arm hanging naturally and not flexed.	
Shoulder Circumference	with arms hanging, place the tape two inches below the top of the shoulder and around the arms, chest, and back after breath expiration.	
Chest Circumference	Place the tape under the arms and around the chest and back at the nipple line after breath expiration.	
Abdomen Circumference	At navel level (relaxed).	
Right Thigh Circumference	Right thigh, midway between the hip and the knee, and not flexed.	

"Sit and reach" to measure lower-back flexibility.

If possible, have the same person take the measurements whenever you are ready to be remeasured to chart your progress.

7. Outline a 12-week physical fitness program using the results of your physical fitness tests. Be sure your program

Warm-up:		
Aerobic Exercises:		
Strength Exercises:		
Flexibility Exercises:		
Cool-Down:		

8. Complete the physical fitness program you outlined in requirement 7. Keep a log of your fitness program activity (i.e., how long you exercised; how far you ran, swam, or biked; how many exercise repetitions you completed; your exercise heart rate; etc.). Repeat the aerobic fitness, muscular strength, and flexibility tests every two weeks and record your results. After the 12th week, repeat all four tests, record your results, and show improvement in each one. Compare and analyze your preprogram and post-program body composition measurements. (See Personal Fitness Pamphlet, pp. 61 - 79)

National has advised us that there is an editorial error on page 72 of the Merit Badge Pamphlet (book) incorrectly stating to do Sit-ups and either Push-ups or Pull-ups. On p.68 and in the Boy Scout Requirements, the requirement is to record your performance in Sit-ups, Push-ups, and Pull-ups. Per National, do all three. (11/2008)
